Welcome back!

As I begin my first year as your superintendent, I want to express my gratitude to everyone in the Summerfield community for the warm welcome I have received. There are so many things that I am looking forward to this year, including meeting more stakeholders, helping to organize a long term strategic plan, engaging with our students, and watching them excel out of the classroom in whatever area they enjoy. I feel very fortunate that I get to do these things alongside you.

Looking ahead, I am committed to open communication and collaboration with you. You'll be seeing many engagement events coming up, such as our first Community Breakfast on October 18th, and monthly opportunities for community members to meet with me. I'm looking forward to meeting and learning from the people who make Summerfield the amazing community it is.

Let's Meet!

- Sip with the Supt - October 11th, 8:00-9:30am, Papa's Place
- Community Breakfast - October 18th, 8:15am, SHS
- Sip with the Supt - November 15th, 8:00-9:30am, Papa's Place

School Safety - Deputy Ost

Great job Elementary parents with morning drop off! Thank you for your patience in getting everyone where they need to be, safely.

Communication is key!

If you have a tip to keep our students, staff, and district safe, please tell a staff member, or confidentially report any threats of harm or criminal activity to OK2SAY.

PRIDE AND HONOR FOR OUR SCHOOL AND COUNTRY

Master Sgt Kosinski has visited Summerfield Elementary for the past 20 years teaching our 5th graders about flag etiquette. Each year, two of our 5th graders are chosen to be the flag bearers for the school year. This year Keagan Walsh and Chloe Seegert were chosen to represent their class. They will be responsible to raise and lower the flag each school day.

Student Learning Beyond The Classroom

Mon, Sept 16th - International Dot Day

International Dot Day is celebrated on September 15th each year, inspired by Peter H. Reynolds' book *The Dot*. It encourages creativity and self-expression, reminding us that everyone can make their mark in the world. Summerfield celebrated by reading the book, creating dot masterpieces, and having hourly random drawings with Dot candy as the prize.

Wed, Oct 23- Thurs, Oct 31 - Red Ribbon Week

Red Ribbon Week is an annual event in the United States that takes place in late October. This year the theme is "Life is a Movie-Film Drug Free". It promotes drug prevention and encourages a drug-free lifestyle among youth. Established in response to the tragic death of drug enforcement agent Enrique "Kiki" Camarena in 1985, the week features various activities, educational programs, and community events aimed at raising awareness about the dangers of substance abuse.

Mon, Nov 11 - Veterans Day

A celebration to honor America's veterans for their patriotism, love of country, and willingness to serve and sacrifice for the common good will be at 1:30 pm

The Great Start Readiness Program (GSRP) is Michigan's free PreK program for eligible four-year-olds. Ranked #1 in the U.S., it's a safe place where children learn how to get along with others, share, take turns, and make friends. Math, reading, and thinking skills are taught every day through fun, hands-on activities. GSRP will help make sure your child is ready for kindergarten and beyond. Summerfield has been fortunate enough to open an additional classroom this year with some top-notch staff members. If your child will be 4 years old by September 1, 2025 be on the lookout for more info in the spring.

The TCC Breakthrough Leadership Training workshop is designed for athletic leaders that find the content practical and instantly applicable. Through a series of activities, discussions, and stories, leaders are inspired to make a difference in their schools.

Craig Hiller catches their attention, gets them moving and most importantly leaves them with the motivation to return to their schools, fields, and courts to become the difference that creates greatness.
