

-Michigan Compiled Law (MCL) 380.1293

requires post-graduation informational packets to be provided to pupils in grades 8-12. By no later than October 1, the local superintendent or chief administrator, as applicable, must provide in electronic or non-electronic form the Post-Graduation Opportunities Informational Packet found on the Michigan Department of Labor and Economic Opportunity Pathfinder page. The packet is for each pupil enrolled in any of grades 8-12 in the local public-school district, both traditional public-school district or public-school academy, intermediate school district, or nonpublic school. A memorandum on this topic was issued to local school districts on August 3, 2023, and two additional reminder memoranda were issued, one on October 19, 2023, and one on May 16, 2024. The Michigan Department of Education is sharing the information as the school year begins and the annual deadline approaches to inform fall planning and communication with students and families.
